

DAE HAN MARTIAL ARTS CENTER UPDATED CLASSROOM PROCEDURES

**We are using the following
procedures to ensure everyone's safety!**

SCHEDULE YOUR CLASSES

Thank you for scheduling your classes in advance.

It's as simple as a few clicks!

UNIFORM

Students should arrive wearing their uniforms and belt. Please don't arrive more than 10 mins before the class. Please also bring water bottle and a sac to put your street shoes in.

BRING YOUR MASK

Mask is mandatory for all ages. Students should always wear a mask while inside the facility and during the class

CHECK-IN AND CLASS PARTICIPATION

Contactless temperature checks for all entrants into the dojang.

Students will disinfect hands with sanitizer before class.

Families will be asked to answer a few required health screening questions.

During class, training stations will be assigned to each student to maintain physical distance greater than CDC recommendation.

Restrooms will be available, but it is preferred that students limit using them.

Dojang equipment and training areas will be thoroughly disinfected between classes.

PARENTS & VISITORS

To meet guidelines, we will only admit students into our facility. Please walk your child to the front door. You can watch the class in your car via live feed, and please return at the end of the class to pick up your child.

ZOOM LIVESTREAM

Parents will be able to view in-person classes via Zoom. See your instructor for the Meeting ID.

Our separate schedule of Zoom classes for students to participate in will continue to be available as well.
