

Fall 2021

Semester Schedule

Due to COVID-19 and the events of this past year, we are continuing to run limited class sizes and schedules as a precaution to help mitigate and limit the transmission of the virus. For your safety and the safety of our staff, we fog and disinfect the facility daily as well as wipe down tables and chairs between classrooms. All teachers and staff wear face coverings throughout the day. Student temperatures are taken upon entry and frequent hand washing is required.
