

In the interest of full transparency here is a list of additional expenses that will come about during your program.:

- You will need to purchase a mouth piece and groin protector. These can be purchased at Wal-Mart, Big 5, Dick's, etc. Both boys and girls need to wear groin protection every time they enter the training area.
- Belt Test Fee: \$40. We hold a quarterly belt test for those students that have demonstrated the requisite skill set to be invited to the test. This fee covers the 3 black stripe tests during the quarter (1 each month), the Belt Test/Graduation, and if successful their certificate, and their new belt.
- At Gold Belt a student will need to purchase sparring gear. This is sold thru the school at a discount off the catalog price. Students will need a helmet, gloves, chest protector, shin pads, and boots.
- After earning a Gold Belt your student will need to join the United Fighting Arts Federation (Chuck Norris' organization) for their training time and ranks to be recognized to qualify for the Black Belt test down the road. Students need to be members of UFAF for a minimum of 3 years in order to be eligible to test for Black Belt.

Optional Expenses

- School t-shirt – During the summer months students will be allowed to wear a karate school t-shirt in lieu of their karate jacket in class.
- Tournaments – These are not mandatory but are great learning experiences. Entry fees vary.
- Seminars/Camps/Special Events
- Movie Night (aka Parent Night Out)
